

Wireless Charging Station 15W Qi 2 zone stand Smartphone + Truewireless + USB C Charging port + Charger White and Silver + Lifetime Warranty Force Power

Descriptif produit

A MagSafe/Magnet compatible 2-zone wireless charging station for convenient use in the office or at home.

2 Zones of Fast Wireless Charging for Smartphones and Truewireless Earbuds
Say goodbye to cables for your smartphone and Truewireless earbuds compatible with wireless charging! Simply place them on the base of this 15W Qi Wireless Charging Stand with 2 zones to easily charge them simultaneously.

15W Qi Compatible with MagSafe/Magnet
For faster charging of your mobile device, this wireless charger is compatible with MagSafe technology and other magnetic charging systems. Thanks to its enhanced magnetic strength, it ensures precise alignment and a secure connection while optimizing charging efficiency.

Convenient Stand for the Office or Home
With its sleek and compact design, this convenient stand for the office or home easily integrates into your daily routine. Whether on your nightstand or desk, its dual charging zones and stand function make your life easier.

Recharge in an Instant
Enjoy fast charging to get your battery back to 100% in no time. With up to 15W charging, this station lets you enjoy maximum, ultra-fast power when you need it most.

No need to remove your case
Charge your phone while protecting it every day. Wireless charging works through cases up to 3mm thick, so you don't have to remove your case every time you need to charge.

One wireless charger for multiple devices
This wireless charger supports all Qi-certified devices. This allows you to charge a wide range of devices with the same stand, including smartphones that aren't MagSafe compatible.

Additional USB-C charging port
Equipped with an additional USB-C charging port, this charger lets you quickly power all your extra devices using a dedicated cable.

20W wall charger included for immediate use and optimal power.

Lifetime Guarantee
Force Power will replace your charging accessory with a brand new one if it is damaged!

Product Recycling
Prepaid return shipping of old products for recycling to promote the circular economy.

To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:
Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years,

our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
