

USB C Charger 20W PD Black Crosscall

Descriptif produit

Load with efficiency

Need a charger?
The CROSSCALL USB-C rapid mains charger lets you recharge your smartphone, your favorite electronic devices wherever you are and whatever you're doing.

Fast charging
Once connected to your mains socket, it offers fast recharging thanks to its maximum power of 20W. Combined with the USB-C/USB-C CROSSCALL charging cable, you can recharge your headphones, your connected watch, your X-VIBES or your phone... the combinations are endless.

A versatile charger built to last
Compliant with the 2024 European standard, it is equipped with a USB-C charging port, making it compatible with the majority of smartphones and other electronic equipment on the market. By equipping yourself with this compact charger you'll also be helping to reduce the mass of electronic waste
