Speaker lamp Lite-up Play Mini 10W Sound by JBL Petroleum Kooduu

Descriptif produit

The ideal companion for all your adventures.

An exceptional sound experience
With a Bluetooth 5.3 speaker featuring SOUND by JBL technology, designed to deliver stereo sound quality wirelessly, this 10-watt speaker immerses you in clear, powerful sound.

Long battery life
Thanks to its 2,600 mAh battery, you can enjoy your favourite tunes for up to 10 hours without interruption. And for your evenings out, the built-in light provides up to 18 hours of autonomy.

4 levels of brightness
Brightness can be adjusted to four levels, so you can create the perfect ambience for any occasion.

USB-C charging
The USB-C charging port ensures fast, efficient charging in just 3.5 hours, so you can get back to what you were doing without having to wait long.

Mini size
This compact, portable speaker is perfect for those looking to combine sound quality with mobility. Its mini format makes it easy to take anywhere, whether it's for a day at the beach, a picnic or an evening out with friends.
