Descriptif produit

No more need to carry a cable for each device, this original design keychain cable works with everything!

This multi-connector cable is a hub equipped with the 4 most used connectors today:

- USB A
- USB Type C (Smartphones: Samsung, Huawei, Google, Honor, Vivo, Oppo, iPhone 15 and above, etc.)
- Lightning (iPhone, AirPods)
- Micro USB (Electronic cigarette, Samsung, tablets, etc.)

Practical key ring format

Convenient to carry so you never run out of battery. In addition, it fits easily in your bag to accompany you everywhere and use it whenever you need it.

Universal Compatibility

Universal, this 3 in 1 cable is compatible with a wide variety of devices. Indeed, it works with all devices with a Lightning, USB C and MicroUSB port such as: iPhone, iPad, Android smartphone, tablet, wireless headphones, portable speaker, etc.

Charge up to 3 devices simultaneously

No more cables cluttering up your desk or bedside table: your mobile devices will be charged with a single cable. Indeed, thanks to its USB C, Lightning and Micro USB connectors, it can charge 3 devices simultaneously, thus bringing order to your workspace.

Data synchronization

For added convenience, you can use this same cable to perform ultra-fast data synchronization between your iPhone or iPad and a USB laptop. So, easily transfer your files, photos or even music.
