

USB C Charger Kit 65W + USB C / USB C Cable 2m White Bigben

Descriptif produit

An eco-designed kit charger with Power Delivery: the fastest charging protocol on the market for mobile devices. The fast and efficient charging solution, in the office, at home or on the go. Made from 100% recycled plastic.

This pack includes a USB C charger and a 1.2m USB C to USB C cable.

Suitable for everyday use
Practical and essential for recharging all your mobile devices at home, in the office or on the move.

Power Delivery: 70% faster charging*.
Its Power Delivery compatible charging protocol is much more efficient than conventional charging technologies. Compatible with iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo...) devices, it offers an ultra-fast, safe and practical alternative for charging all your devices up to 70% faster than standard 5W technology*.

Intelligent, eco-friendly charging
Dynamic charge adjustment protects the battery and reduces energy consumption. Prevents overheating and extends battery life. When you're in a hurry, our chargers give your battery a boost in no time.

Safe charging
Designed for intensive daily use, it is resistant to high temperatures and power surges for risk-free use over time.

Power Delivery compatibility
To benefit from the optimum charging speed of a Power Delivery charger, you need a device or Android compatible with this technology, a USB type C to USB type C or USB type C to USB type C charging cable and a USB Power Delivery compatible charger.

USB C to USB C 2m cable included
With a length of 2 metres, this cable offers greater freedom of movement and optimum flexibility for your everyday use.

Resistant cable coating
Fully covered in braided nylon to withstand everyday handling

Reversible cable design
The cable connector is reversible, making connections even easier.

One charger for all your devices
Compatible with all Android & iOS smartphones and tablets, and other devices: speakers, wireless headphones, connected watches... and even laptops!

Eco-designed with 100% recycled plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote the circular economy.

Eco-designed packaging that is fully recyclable
Cardboard (certified from responsible forest management), glue (vegetable-based) and ink (soy-based)

Re-use of products
Prepaid return of old products for recycling to promote the circular economy

Works with the following protocols: AFC (Samsung), FCP (Huawei), PPS (Samsung), PD 3.0 (Apple, Samsung, Fairfone, One Plus), 2.4A (Apple)

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
