# Magnetic Card Holder Designed for Samsung Black Samsung

## Descriptif produit

### A practical accessory that incorporates Magnet technology to always have your cards close at hand.

Switch between a simple case and a card holder case as you wish.
Choose the magnetic card holder, which instantly transforms from a simple protective case to a card holder. This accessory is compatible with any magnetic case. Practical, elegant, and adaptable to suit your needs.

Keep your essential cards close at hand without adding bulk to your smartphone.
With its powerful magnet and silicone coating, the card holder stays firmly in place on your smartphone, ensuring a perfect fit without the risk of accidental detachment. A practical and elegant accessory to keep your cards safe and secure.

Matches magnetic cases for seamless integration.
No more bulky wallets! This magnetic card holder allows you to securely store up to two cards and access them in one go thanks to its convenient rear port. Simple, effective, and always within reach, you'll never have to rummage through your belongings again. This accessory perfectly combines comfort and functionality, for a lighter and more organized daily life.
