

Tune Beam 2 True Wireless Earphones ANC Waterproof In-Ear Transparent Black JBL

Descriptif produit

Pure bass, zero noise

JBL Pure Bass and Spatial Sound
JBL Tune Beam 2 feature dynamic 10mm drivers that deliver JBL's powerful Pure Bass sound. What's more, whether you're listening to your favourite playlist, watching a movie or playing a game, JBL's spatialized sound transforms stereo sound from any source or device into a more immersive sound experience.

Adaptive Noise Reduction and Smart Ambient Technology
JBL Tune Buds 2 use Adaptive Noise Reduction to completely attenuate ambient noise or just hear the desired level of noise from the outside world. Ambient Aware adjusts the level of noise from the outside world that you want to hear, while TalkThru lets you talk to the people around you, all without removing your earphones.

6 microphones for perfect calls and a personalised calling experience
Two external microphones, forming a beam on each earpiece, pick up your voice and reproduce it as clearly as possible, while an internal microphone isolates noise. Ambient noise reduction and echo cancellation algorithms capture every nuance of your voice without noise or distortion, even when you're outside on a windy day. Use the JBL Headphones app to customise what you and others hear through your headphones.

Personi-Fi 3.0
Hear and feel every note of your playlist. Tailor your sound to your personal listening profile with interactive personalisation tools that use precise information about you and your preferences to provide the exact sound curve that suits you best.

Up to 48 hours total listening time
Your headphones offer up to 10 hours of battery life, plus three further full charges (30 hours) in the charging case with the RBA function activated, or up to 12 hours plus 36 hours with the RBA function deactivated.

IP54: water and dust resistant*.
Your JBL Tune Buds 2 have an IP54 rating, which means they're water and dust resistant. So you can use them in rainy or windy conditions.
*Earphones only

Multipoint connection + Fast Pair by Google
Switch effortlessly between Bluetooth® devices: if you're watching a video on your tablet, you won't miss calls on your smartphone. JBL Tune Buds 2 feature Fast Pair by Google, allowing you to pair your Android devices at the touch of a button.

JBL Headphones app
Customise the soundtrack to your life. Simply download the free JBL Headphones app to customise your listening experience. Adjust the level of Adaptive Noise Reduction, adjust your ambient noise control settings, create a relaxing playlist to help you unwind, check your optimal fit or find your headphones. You can also change the headphone controls with gesture customisation, or adapt the sound output to audio or video to get the most out of your content, and much more.

Pack contents : True Wireless Earphones ANC Waterproof In-Ear + Charging case + USB C Charging Cable + 3 sizes of tips (S, M, L) + User Guide/Security/Warranty

Technical characteristics

Speaker size: 10 mm dynamic speaker
Headphone resistance factor: IP54
Power supply: 5 V, 1 A
Frequency response: 20 Hz to 20 kHz
Maximum operating temperature: 45 °C
Impedance: 16 ohms
Sensitivity: 100 dB SPL at 1 kHz
Maximum sound pressure: 95 dB
Microphone sensitivity: -38 dBV/Pa at 1 kHz
Bluetooth version: 5.3
Bluetooth profile version: A2DP V1.4, AVRCP V1.6.2, HFP V1.8
Bluetooth transmitter frequency range:
2.4 GHz - 2.4835 GHz
Bluetooth transmitter power: ≤ 13 dBm (equivalent isotropically radiated power, EIRP)
Transmitter modulation Bluetooth: GFSK, π/4-DQPSK, 8DPSK
Earbud: 5.2g per unit (10.4g for both)
Charging case: 42g
Earbud dimensions (L x W x D): 33.4 x 22.6 x 25mm
Charging case dimensions (L x W x D): 61.5 x 29.15 x 47mm
Earbud battery type: Lithium-ion battery (65mAh / 3.85V)
Charging case battery type: Lithium-ion battery (590mAh / 3.8V)
Charging time: 2 hours for a full charge
Music playtime with Bluetooth connection on and RBA off: up to 12 hours
Playtime with Bluetooth connection and RBA on: up to 10 hours
Playtime with RBA off: up to 6 hours
Autonomy with RBA activated: up to 5 hours
