

Bluetooth® Headphones Valencia with Microphone Over-ear Midnight Black Urbanista

Descriptif produit

Urbanista Valencia, the ultimate over-ear headphones for city dwellers who demand style, comfort, and performance.

Powerful, Precision-Tuned Sound
Valencia features 40mm dynamic drivers and a PET diaphragm for powerful, precise audio with exceptional clarity. Every detail comes to life, whether it's your favorite playlists or podcasts, delivering an immersive listening experience tailored to your rhythm."

Escape the noise
Immerse yourself in pure sound with Valencia's active noise cancelling, designed to reduce low-frequency urban sounds like traffic, engines, and crowds up to 500 Hz. It's your perfect companion for long commutes or bustling streets, delivering tranquility and focus.

Enjoy your listening up to 50 hours
With an impressive 50 hours of wireless playtime, Valencia keeps up with your busy lifestyle. Whether you're commuting, working, or relaxing, these headphones are ready to deliver uninterrupted sound all day and night. No limits, no interruptions — just sound that lasts.
USB type-C charging

All day comfort
Designed for long listening sessions, Valencia features smooth, leather-like cushions and a 240-gram lightweight build with a well-balanced clamping force. The foldable design adds portability, making it easy to bring along. From morning commutes to evening relaxation, Valencia adapts to your lifestyle.
