Endurance Race 2 True Wireless Earphones Waterproof In-Ear Black JBL

Descriptif produit

Boost your performance

Water and dust resistant
JBL Endurance Race 2 are designed for your most intense workouts. Their IP68 rating means they are 100% waterproof and dustproof, with full protection against solid particles and the ability to survive immersion to depths of over one meter in both fresh and salt water. Even the charging case is IPX2 water-resistant, so it can accompany you on your next run in the rain.

Ergonomic fins with Twistlock™ technology
The ergonomic fins on JBL's Endurance Race 2 earphones use Twistlock™ technology. This means a better seal and more stability in your ears when you use them, not to mention all-day comfort.

Enhance your workout with “Sport Mode”
Use the JBL Headphones app to tailor your workout with RBA, Ambient Aware and EQ. Adjust the settings according to the intensity of your workout, by choosing one of the six default Sport Mode settings or customizing your own. And once you've finished your workout, relax and recharge your batteries in Relax mode by choosing one of five comforting sounds, such as the gentle sound of ocean waves or the crackle of a wood fire.

Active Noise Reduction with Smart Ambient technology
JBL Endurance Race 2 headphones use Active Noise Reduction to listen to your environment and filter out unwanted noise. Smart Ambient lets you control how much outside noise you want to hear, so you can talk to other people or perceive your surroundings, all without removing your earphones.

4 microphones for clear, crisp calls
Two beam-forming microphones on each earpiece pick up and transmit your voice while reducing ambient noise. So you can make clear, crisp calls even when you're running in a busy park on a slightly windy day.

JBL Pure Bass sound
JBL Endurance Race 2 earphones feature dynamic 6.8 mm drivers for powerful JBL Pure Bass sound.

48 hours of battery life, plus fast recharging
Enjoy 12 hours of battery life, plus three further full charges (36 hours) in the charging case. * Need to recharge your headphones faster? Plug them in for 10 minutes with a USB-C charging cable for an extra four hours of autonomy. (* with RBA function deactivated)

Multi-point connection
Pair your JBL Endurance Race 2 earphones with two Bluetooth® devices, then switch effortlessly from one to the other. So if you're watching a video on your tablet, you won't miss a call on your mobile.

Smooth Bluetooth® pairing
The JBL Endurance Race 2 are compatible with Fast Pair by Google and Swift Pair by Microsoft, allowing you to pair your Android devices with your Microsoft computer at the touch of a button.

Color : **Black**

Ref : **JBLENDURACE2BLK**

EAN : **1200130014291**

Pack contents : True Wireless Earphones Waterproof In-Ear + Charging case + Stabilizer + USB C Charging Cable + 3 sizes of tips (S, M, L) + User Guide/Security/Warranty

Technical characteristics

Speaker size: 6.8 mm / 0.27 inch dynamic speaker
Power supply: 5 V, 1 A
Maximum operating temperature: 45 °C
Frequency response: 20 Hz - 20 kHz
Impedance: 16 ohms
Sensitivity: 104 dB SPL at 1 kHz
Maximum sound pressure: 94 dB
Microphone sensitivity: -38 dBV/Pa at 1 kHz
Bluetooth version: 5.3
Bluetooth profile version: A2DP V1.4, AVRCP V1.6.2, HFP V1.8
Bluetooth transmitter frequency range: 2.4 GHz - 2.4835 GHz
Bluetooth transmitter power: < 10 dBm (equivalent isotropically radiated power, EIRP)
Bluetooth transmitter modulation: GFSK, π/4-DQPSK, 8 DPSK
Earbud: 6.4g each (12.8g combined) 0.014lb each (0.028lb combined)
Earbud length (mm): 30.1mm
Earbud width (mm): 26.4mm
Earbud depth (mm): 18.9mm
Charging case: 41.1g / 0.09lb
Charging case length (mm): 69.7mm
Charging case width (mm): 43.1mm
Charging case width (mm): 30.5mm
Earbud battery type: Lithium-ion battery (70mAh/3.85V)
Charging case battery type: Lithium-ion battery (600mAh/3.85V)
Charging time: 2 hours for one charge complete
Music time with Bluetooth connection activated and RBA deactivated: up to 12 hours
Playtime with Bluetooth connection and RBA activated: up to 10 hours
Talk time with RBA deactivated: up to 7 hours
Playtime with RBA activated: up to 6.5 hours
