

Kit Smart Camera Cell PT Lite 3MP Outdoor with solar panel White IMOU

Descriptif produit

Continuous power supply, permanent safety

Long-lasting battery and fast charging via the USB-C port
Thanks to its high capacity of 15,000 mAh, the battery provides incredible autonomy of up to 280 days. It recharges very quickly thanks to its USB-C port

Continuous security thanks to power via the solar panel
Connect the Cell PT to the Imou solar panel for unlimited autonomy². Enjoy round-the-clock security without worrying about its power supply

Pivots horizontally and vertically for 360° security
The Cell PT surveillance camera moves horizontally from 0° to 355° and vertically from 0° to 90° to provide complete surveillance of the area around your home.

Light up the night with intelligence
Cell PT offers several night vision modes that you can adapt to your needs. For example, you can select permanent colour night vision or infrared night vision that switches to colour only when an event is detected, to save energy.

Efficient people detection with PIR sensor
The Cell PT activates the video algorithm for people detection only when motion is detected, avoiding false alarms and extending battery life.

Intelligent tracking
The Cell PT's detection algorithm frames the detected target and tracks its movements within that frame, for optimum surveillance.

Weatherproof and windproof
Thanks to its IP66 certification, the Cell PT is resistant to water splashes and dust. This means the camera can operate whatever the weather or season

Different operating modes to suit your needs
Cell PT supports 5 different operating modes. Whether you want to save battery power or enjoy continuous image recording, you can configure these settings in the Imou Life application.

Technical characteristics

Camera
3MP(2304*1296)
Night vision: 20 m distance
Fixed 3.6 mm lens
Angle of view: 120°(D)
330°Pan & 90°Tilt

Network
Wi-Fi: IEEE802.11b/g/n, 50 m free field
Imou App: iOS, Android

Video & audio
Video compression : H.265
Up to 15fps
8x digital zoom
Two-way audio
Micro SD slot (up to 256GB)

Universal settings
Imou solar panel power supply / DC 5V 2A Power
Power consumption: <3.5 W
Operating temperature: -20°C~+50°C (-4°F~122°F)
Charging temperature: -0°C~+45°C (32°F~112°F)
Dimensions: 177×110×142mm (6.97×4.33×5.59inches)
Weight: 718g (1.58 lb)
CE, UKCA

Compatible mobiles

Compatibilité
Compatible avec : IPHONE 3G .

Compatible WiFi

Color : White

Ref : IMOUKITCAMCELLPTLITE

EAN : 6976391038271

Pack contents : Kit Smart Camera Cell PT Lite 3MP Outdoor with solar panel + User Guide/Security/Warranty
