

USB C Headphones Tune 520C with Microphone Black JBL

Descriptif produit

Experience music every day with the practical and comfortable JBL Tune 520C USB-C wired headphones.

Hi-Res Audio
Enjoy the full 96 kHz/24-bit high-resolution digital sound of the DSP chips.

JBL Pure Bass Sound
Hear clear and powerful JBL Pure Bass sound through the dual 32 mm dynamic drivers.

Compatible with USB-C devices
Need to connect to a PC, mobile device, or gaming system? USB-C connectivity ensures compatibility with a wide range of devices (Please check USB-C compatibility with your device).

Make crystal-clear calls with ease using the 3-button remote with microphone. You can also control your music playback, change the volume, or change your EQ presets—everything is right at your fingertips.

Use the default EQ presets to enjoy exceptional, balanced sound. Select "Bass" to enhance the bass and make your music more dynamic and engaging. Or choose "Vocal" to enhance the midrange and hear clear, bright vocals.

The padded on-ear design lets you wear these Tune 520C headphones all day without any discomfort. And when you're not using them, they fold flat for easy storage.
