# Smart Kibble dispenser + Smart Camera IMOU

## Descriptif produit

### Monitor and feed, the ideal all-in-one companion for your pet

4 monitoring modes for optimal surveillance of your pet
The PF1 offers 4 camera modes so you can choose the monitoring mode that suits you best when you are away.

Ultra-sharp 2K+ images for day and night surveillance
The PF1's 4MP lens provides 2K+ QHD images and supports infrared night vision, delivering exceptionally clear images day and night.

Accurate AI detection with IMOU SENSE®
Meal detection
The PF1 can take photos before and after your pet's meal so you know exactly how much food they have eaten.
Pet detection
The PF1 accurately detects your pet and sends you an instant notification.
Smart food dispenser
The PF1 can detect if there is food left in the bowl using a visual algorithm. If so, it will not dispense any more food to prevent your pet from overeating.

High-performance anti-clogging function
The PF1 is equipped with a three-level anti-clogging system, which significantly reduces the risk of clogging. The recommended pellet size is between 2 and 12 mm.

The best care for your pets
There should be no compromise when it comes to your pet's health. The PF1 is equipped with a desiccant bag and a stainless steel bowl to prevent the risk of pimples forming on your pet's chin.

Take care of your pets at your fingertips with the Imou Life app
Schedule your pet's meals
Set daily times and quantities via the Imou Life app.
Follow meal plans
During meal times, you will be notified of the next meal.
Two-way communication
Communicate with your pet anytime, anywhere.
Customizable meal call
If your pet is afraid of the noises made when food is dispensed, you can record your voice to let them know it's time to eat!

The backup battery supports real-time display
Power outage? No worries! The PF1's battery mode provides continuous power and real-time monitoring, so you stay informed and in control, even during a power outage.

Free Pet Care™ Cloud Storage for 1 year
The PF1 comes with 1 year of free Pet Care™ Basic cloud storage, allowing you to store 8 seconds of video and back it up for 1 day. You can also upgrade via the Imou Life app.
