Descriptif produit

Premium sound fine-tuned just right

Active Noise Canceling : immerse yourself in your music. Or stay connected to the world around you. It's up to you.
Titanium drivers : experience rich, perfectly balanced sound with titanium-coated 11mm premium drivers.
Seamless dual point connectivity : stay connected to multiple devices simultaneously and switch between them hassle-free.
Dedicated app for iOS and Android : pick your favorite presets, customize EQ settings just how you like it, and get all the latest software updates.

26h of listening
Get up to 6 hours of listening on one charge, plus 20 more with the charging case.

Active Noise Canceling
For pristine sound in less than perfect conditions, switch on ANC with advanced wind reduction.

Crystal Clear Calls Always
Crystal-clear calls and voice recordings, powered by Environmental Noise Canceling (ENC) and six mics to cut the noise.

Built to last. Designed for living worry-free
Three-year warranty : your Fairbuds come with a 2-year warranty, now with an extra year on us – because we've got you.
Easily repairable : true wireless earbuds, reimagined by Fairphone – built to last and repairable.
Replaceable batteries : fairbuds are built to keep going, with replaceable batteries in each bud and the charging case.
IP54 Sweat and water resistance : it's always raining in Amsterdam, so we made them weatherproof – perfect for workouts, too.

Get the perfect fit
Because one size shouldn't fit all. Choose from three different ear tip options and find the one that fits the best.

Connect to more devices
Connect to multiple devices and let the Fairbuds do the work for you. The Fairbuds will know where the music is playing, so you can sit back and enjoy.

Auto play and pause
The Fairbuds know when they're in your ear. Take them out and your song will pause, put them back in and you won't miss a beat.

Dual audio controls
Control your favorite playlist straight from your Fairbuds. Adjusting the volume and playback is right at your fingertips.
