

USB C / Lightning Cable 3A 3m Braided nylon PD 60W White Xtorm

Descriptif produit

This original Xtorm cable is designed to be the perfect everyday cable.

Powerful fast charging and reliable data transfer are combined with durable features that make this cable capable of withstanding the wear and tear of everyday use.

Strong, durable features
The use of braided nylon not only strengthens the cable, but also ensures its flexibility over a long period of time. The connectors have a unique metal housing, specially designed with a U-shaped cut-out that allows the cable to bend and move more freely.
