

USB A + USB C Charger 67W PD GaN White - GRS Certified Xtorm

Descriptif produit

This 67W GaN² Ultra wall charger is designed to be more compact and powerful than ever before

GaN² Ultra: next-generation power, size and efficiency
Don't be fooled by its size, this 67W wall charger is very powerful. GaN² Ultra, the next generation of GaN technology, allows our charger to efficiently and safely handle more power in an even smaller form factor.
Our GaN² Ultra solution incorporates smart circuitry that optimises power distribution, reducing energy waste and maximising charging speeds. With this charger, you can enjoy fast, reliable and energy-efficient charging for all your devices.

Multi-port charging
With its compact design and dual-port functionality, our 67W GaN² Ultra wall charger is perfect for travel, the office or home. The inclusion of USB-C and USB-A ports ensures compatibility with a wide range of devices. The USB-C port allows for high-speed charging of the latest smartphones and tablets. No additional adapters are required; simply plug it in and power up. When multiple devices are powered simultaneously, the maximum power is distributed between the ports.

97% GRS-certified recycled plastic
By choosing GRS-certified recycled plastic as the main material for our charger, we are able to give materials a new lease of life. We divert plastic that would take centuries to decompose from landfills and oceans. Not only is the use of recycled plastic beneficial for the planet, but it also meets the highest standards of quality and durability.

A reliable and safe charging experience
This charger is equipped with several advanced safety features to protect your connected devices and your charger. Built-in protection mechanisms against overcharging, short circuits and heat protect you from potential incidents, giving you peace of mind every time you charge.

Pack contents : USB A + USB C Charger 67W PD GaN + User Guide/Security/Warranty

Universel - Port(s) USB A+C PD

Color : White

Feature(s) : USB Port(s) Output: USB A + USB C 67W - Charge Protocole: Power Delivery

Port(s) : USB A + USB C

Power : 67W

Material : 97% GRS certified recycled plastic

Eco conception : GRS Certified - 97% recycled plastic

Ref : XTORMXEC067

EAN : 8718182277371

Technical characteristics

Dimensions : 4,6x2,8x8,3cm
Weight : 88g
Number of Outputs : 2
Output 1 Type : USB-C PD
Output 2 Type : USB-A Quick Charge 3.0
Type input : AC Socket
AC-Adapter : Yes
Output 1 (W) : 67.00
Output 2 (W) : 18.00
Output Types : USB-A Quick Charge 3.0,USB-C PD
Max power (W) : 67.00
Incl. cable : No
