Powerbank Go2 10000mAh 2 USB A+C ports 15W Clay - GRS Certified Xtorm

Descriptif produit

With this 10,000mAh Go2 Power Bank, you have more than enough extra energy to charge your smartphone, earbuds, or drone at least twice!

FastCharge 2 devices simultaneously
This Go2 Power Bank quickly provides new energy to 2 devices simultaneously with 15W FastCharge! Ensure you have the right cables and charge your daily devices super fast via the USB-A or USB-C connection! The Power Bank itself is fully charged and ready for use within 1.5 hours. Thanks to the pass-through function, it is even possible to quickly charge a device while the Power Bank itself is being charged.

Fast Charge Power Bank that fits in any bag
Thanks to the slim and compact design, you can easily take this Power Bank with you wherever you go. Simply put it in your bag when you know you'll have few or no power outlets nearby that day. You can take as many photos or videos as you want, all day long, without worrying about your battery running low. With this Go2 Power Bank, you always have extra energy quickly at hand for your daily devices.

Built-in mechanisms safe to use, for years to come.
Both the Power Bank itself and the connected devices are protected against short circuits, overheating, and overcharging. The Xtorm 6-layer safety check ensures this is your Go2 Power Bank for all your daily charges! With extensive quality control, you are assured of a safe and high-quality Power Bank that you can use daily.

Compatible with all brands
Thanks to the USB-A and USB-C connections, this Go2 Power Bank is suitable for both older and newer devices. With the right cable, you can quickly charge any type of smartphone, whether it's a OnePLus, Oppo, iPhone, Samsung, or Xiaomi. You can also charge all wireless earbuds, a drone, or GoPro with this Go2 FastCharge Power Bank! The LED lights give you an indication of the power that is left in the Power Bank. You know when it's time to recharge the Go2.

Extend your phone's lifespan!
With the 15W FastCharge, not only your devices are charged super fast, but this function also extends the lifespan of your battery. It's best to charge a device with an internal battery as quickly and briefly as possible. Fast charging also prevents your battery from overheating, which also extends its lifespan.

Your Go2 for years
This Go2 Power Bank with FastCharge and a capacity of 10,000mAh has an extremely good price-quality ratio. Thanks to the use of the latest technologies, this Power Bank is suitable for current mobile devices and also for future versions. Cheaper power banks expand over time or no longer charge as quickly. With the high-quality Xtorm Go2 Power Bank, you are guaranteed to have extra energy for years to come!

Sustainably made by choice
The casing of this Go2 Power Bank is 100% made of recycled plastic and is certified with the globally recognized GRS certificate! Additionally, the packaging is almost entirely made of recycled paper with the FSC label. The small, 3-gram hook is the exception. This is also made of fully recycled plastic and features the GRS certificate. A reliable and sustainable Go2 Power Bank: you'll enjoy it for years to come!
