

iPhone 17 Reinforced Case PULSE Origin France Guarantee 3m Transparent + Lifetime Warranty - Origin France Guaranteed Force Case

Descriptif produit

High-resistance protection that enhances your mobile while guaranteeing its safety - Lifetime warranty

Withstands shocks and drops from 3 meters.

It is the combination of 2 innovative technologies and premium materials to durably protect your mobile against shocks.

XCross Impact™

Reinforced corners thanks to a uniform diffusion of the shock wave along 4 axes. Your mobile is thus perfectly protected in the event of a fall.

Pulse Dispersion System™

3D inserts designed exclusively to absorb and disperse shock laterally

Protective raised edges

The edges and contours of the camera are reinforced with liquid silicone for all-around protection. You can thus place your smartphone on the front or back side without risk.

Elegant transparent finish and tailor-made design

Its neat transparent design lets you appreciate the original beauty of your smartphone while guaranteeing you the best grip.

Special anti-yellowing treatment

Made from a polymer alloy treated against yellowing, your case will retain its transparency for much longer.

Origine France Garantie

The Origine France Garantie certification certifies that this product was entirely made in France: processing and packaging.

Compatible Force Glass

Ref : FCPULSIP17T

EAN : 3571211545064

Pack contents : Reinforced Case PULSE
Origin France Guarantee 3m + Lifetime Warranty

Informations complémentaires

How the lifetime warranty works

Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.

To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website <https://force-mobility.fr/fr/utiliser-garantie>, within 30 days of your purchase, with your proof.

The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
