

Magnetic Car Wireless Charger 15W Qi2 Designed for Samsung Black Samsung

Descriptif produit

Combine magnetic power and fast wireless charging for smooth, uninterrupted journeys

Drive without interruption with Qi 2.0 wireless charging.
Enjoy fast, stable wireless charging with Qi 2.0 technology, wherever you are—even on the road.

Controlled temperature, guaranteed safety
Designed to limit heat, it ensures a stable and secure charging experience — even in the confined space of your vehicle.

Hang on to magnetic power
Designed with ultra-powerful magnets specially adapted to your vehicle, this mount ensures that your phone stays perfectly in place for stable, worry-free charging — even while driving.

360° freedom, tailored to your use
Adjust your device in any direction with 360° rotation, and easily find the perfect angle for every space and situation — use it your way.

Discreet but indispensable
With its compact size and modern style, this design fits naturally into any vehicle interior, creating perfect harmony with your cabin. Designed to last, it resists everyday scratches and accompanies you on the road with complete peace of mind.
