iPhone 18 Pro Max / 17 Pro Max Magnetic Case MagSafe Folio Lynge ICON Video Stand function Midnight - GRS Certified DBramante1928

Descriptif produit

Protect your smartphone with a GRS-certified 2-in-1 detachable MagSafe folio wallet case, featuring stain-resistant material and integrated card storage.

Innovative Stain and Scratch-Resistant Material
Crafted from premium high-performance material, this folio case offers a comfortable soft-touch feel while resisting stains, micro-scratches, and pen marks. Maintenance is completely effortless: simply wipe it clean to maintain a spotless look every day.

Versatile 2-in-1 Design with Detachable Case
This product seamlessly combines full folio defense with the convenience of a slim daily case. The detachable snap-on inner case separates instantly from the wallet frame via strong magnets, allowing you to adapt your phone's style to any occasion.

Full MagSafe Compatibility and Secure Alignment
Featuring built-in MagSafe magnets, the inner case locks precisely into position inside the wallet. It ensures fast, reliable wireless charging and full compatibility with magnetic accessories, whether used individually or within the folio.

Organized Wallet Storage with Magnetic Side Latch
Keep your daily essentials organized with three dedicated slots holding up to five cards alongside a convenient compartment for cash. The secure magnetic side closure keeps the front flap firmly shut to shield the display screen from direct impacts.

GRS Certified Eco-Friendly and Fully Recyclable
Made from GRS-certified recycled plastic materials and engineered for complete end-of-life recyclability, this wallet reduces environmental impact. It delivers high-grade smartphone defense while meeting rigorous sustainability standards.
