

Wireless Charging Station 15W Qi + Lamp + USB C/C Charging Cable Silver Glossy Bigben

Descriptif produit

Light up your space while charging your smartphone with the 2in1 lamp

Design and practicality

The 2in1 lamp has been designed to illuminate your space while wirelessly charging your compatible smartphones. Ideal for offices and workspaces, this lamp combines functionality and modernity.

Induction charging

Thanks to its built-in rechargeable battery, you benefit from wireless, clutter-free operation. Simply place your smartphone on the base of the lamp to recharge instantly.

Recharge in an instant

With up to 15W of power, this lamp charges your mobile quickly and efficiently, keeping you connected without interruption.

Adapts to your needs

The lamp arm is 360° flexible, giving you multi-angle freedom of adjustment to orient and customize the lighting to your needs for an optimal experience.

Touch-sensitive controls

Its intuitive, modern interface designed with a touch-sensitive control sensor lets you activate the charging function or the lamp with a single touch.

Blue Light Protection

The lamp filters light to protect and relax your eyes, reducing eyestrain associated with prolonged exposure to blue light.

Included accessories

A USB A/C cable is supplied with the lamp to ensure quick and easy connection.

Available colors

The lamp is available in two colors to match your decor: White and Black.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use.
