iPhone 17 MagSafe Case Grenen Black - GRS Certified DBramante1928

Descriptif produit

Protect your smartphone with a GRS-certified eco-friendly shockproof case, featuring a clear design, 2m drop resistance, and built-in MagSafe magnets for fast wireless charging.

GRS Certified Eco-Friendly Construction
Crafted from 100% GRS-certified recycled and recyclable plastic materials, this case seamlessly blends sustainability with premium quality. Each unit repurposes the equivalent of two 0.5L plastic bottles without compromising on elegance, functionality, or structural integrity.

Certified 2-Meter Impact Protection
Engineered to withstand daily drops and accidental bumps, this case delivers reliable shock absorption from heights up to 2 meters (6.5 ft). Its protective framework keeps your smartphone secure while maintaining a sleek, pocket-friendly profile.

Translucent Clear Back with Matching Bumper
The frosted clear back showcases the original design and color of your device while guarding against scratches and scuffs. Its color-matched protective bumper adds a refined, stylish edge for a fully coordinated aesthetic.

Seamless MagSafe Alignment and Wireless Charging
Featuring built-in high-grade MagSafe magnets, the case guarantees instant and precise alignment with magnetic chargers and accessories. Experience reliable, fast wireless charging and a firm grip without ever removing the cover.

Raised Edge Defense for Screen and Camera
Elevated bezels around the touchscreen display and rear camera module prevent direct contact with flat surfaces. Your smartphone benefits from complete perimeter protection, safeguarding sensitive glass lenses against daily wear and tear.

Compatible iPhone 17 - Works with MagSafe / Qi / Qi2 accessories
