Descriptif produit

Greenland Clear is a clear impact protective soft case made from 100% recycled and recyclable plastic materials.

Protect Your Phone and the Planet

With Greenland, you don't have to choose between safeguarding your phone and caring for the environment. This case offers exceptional protection, functionality, and design — while minimising environmental impact.

Made from 100% Recycled Plastic

Crafted from GRS-certified recycled materials, each Greenland case prevents the equivalent weight of two plastic bottles from ending up in our oceans and landfills.

Impact Protection You Can Rely On

Engineered to shield your device from drops, Greenland provides 1.2m/4ft impact protection without adding bulk. Raised edges keep your camera and screen safe from harm.

Slim Design

Enjoy a sleek, slim profile that fits comfortably in your hand and pocket.
