FORCE POWER

2 USB C Charger L Shape 45W PD UltraGaN Gray + Lifetime Warranty Force Power

Descriptif produit

Extremely fast, smart, and safe charging to efficiently support you every day - Lifetime warranty Made of 100% recycled plastic.

Flat L-Shape design for optimal space saving
This charger is designed to adapt perfectly to small spaces. Thanks to its flat and discreet shape, it does not protrude from the outlet, allowing clean and clutter-free installation even behind furniture. Cables remain straight and untwisted for durable, stress-free use.

Ultra-fast 45W Power Delivery charging power
Enjoy ultra-powerful charging up to 45W Power Delivery, ideal for quickly recharging smartphones, tablets, and ultra-compact laptops. Its high-performance components deliver efficient power, up to 3 times faster than a standard charger.

Dual USB-C connectivity for simultaneous charging
Equipped with 2 USB-C ports, this unique charger allows you to quickly and simultaneously power two recent everyday devices: laptop, MacBook, smartphone (iOS or Android), iPad, wireless earbuds, smartwatch, or power bank, including new iPhones (iPhone 15 Series and later).

GaN Technology Ultra-Compact Design
Thanks to GaN (gallium nitride) technology, components are miniaturized to offer extreme compactness without compromising power. Much less bulky than a traditional or laptop charger, its compact cube format optimizes space on crowded outlets and easily slips into a handbag, backpack, or suitcase for daily use or travel.

Smart and Eco-responsible Charging
Smart charging technology automatically detects and adjusts the required power and current based on each connected device's needs, giving your battery a quick boost. When the level reaches 100%, power is cut off to prevent continuous operation, protecting your equipment, avoiding overheating risks, and prolonging battery lifespan.

Power Delivery Compatibility
Enjoy the optimal charging speed of Power Delivery technology. To benefit from it, simply use an Apple or Android device compatible with this technology, a USB-C to USB-C or Lightning to USB-C charging cable, and a USB-PD compatible charger.

A single charger for all your devices
Thanks to its exceptionally wide compatibility, this unique charger can power all your daily equipment: smartphones and tablets (iOS and Android), as well as laptops, speakers, wireless headphones, smartwatches, and much more.

Robust, Secure and High-Performing
Built with high-end components and strict technical requirements, it guarantees long-lasting performance and maximum reliability. It effectively protects against daily mechanical and physical shocks, surges, and high temperatures for safe use at home, in the office, or shared with family and friends.

Multi-protocol compatibility for peak performance
Its Power Delivery compatible recharging protocol is significantly more efficient than conventional charging technologies*: PPS standard compatible with USB PD 3.0 & Qualcomm QC4.0.

Smart Companion included with your product
A smart cable tie is included with your product to easily wrap and transport your charging cable.

Lifetime Warranty
Force Power replaces your charging accessory with a brand new one in case it gets damaged!

Eco-designed with 100% recycled plastic
This product is made of recycled plastic to reduce single-use plastic consumption and promote the circular economy.

Product Upcycling / Recycling
Prepaid return of old products for recycling to promote the circular economy.

Pack contents : 2 USB C Charger L Shape 45W PD UltraGaN + Lifetime Warranty + User Guide/Security/Warranty

Technical characteristics

Flat Space-Saving L-Shape Design : Slim, low-profile design that stays flush against wall sockets, ideal behind furniture.
45W Power Delivery Fast Charge : Optimal charging performance for smartphones, tablets, and compact laptops.
Universal Dual USB-C Ports : Simultaneous and efficient charging for two modern USB-C equipped devices.
GaN Technology & Ultra-Compact Design : Miniaturized components delivering extreme compactness and high efficiency without overheating.
Smart Charging & Battery Protection : Automatic power adjustment to preserve battery health and prevent overheating risks.

Informations complémentaires

How the lifetime warranty works
Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.

To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:
Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
