

Play AirClip True Wireless Earphones ENC Open-Ear with Microphone Titane + Lifetime Warranty Force Play

Descriptif produit

A high-quality sound experience with a unique promise: lifetime warranty that guarantees replacement of your earbud if lost! Made from recycled plastic

Stereo Airborne Transmission for Open Listening
Thanks to stereo airborne transmission technology, sound is diffused directionally through the air, without completely isolating it from the outside environment. This innovative approach allows you to fully enjoy your music while remaining aware of your surroundings. Ideal for outdoor sports, urban commuting, or any time when safety and vigilance are essential.

Clip-on format for a perfect fit and absolute comfort
The clip-on format adapts naturally to the shape of the ear, gently attaching without penetrating the ear canal. This design ensures a lightweight feel, even during prolonged use. The fit is comfortable and stable, making it ideal for physical activities or everyday use.

Built-in microphones for clear calls
The two built-in microphones allow you to make calls or send voice messages with clear, precise audio quality. They pick up voice clearly, reducing background noise for smooth communication, even in noisy environments.

Combined 20-hour battery life
With a total battery life of 20 hours, these earbuds will keep you going all day long. Whether you're listening to music, watching videos, or making calls, you'll enjoy the freedom to recharge. Perfect for a day of work, sports, or travel.

Bluetooth 6.0 for a seamless connection
Equipped with Bluetooth 6.0 technology, these earbuds ensure a fast, stable, and latency-free connection with all your compatible devices: smartphones, tablets, smartwatches, or computers. Synchronization is instantaneous, guaranteeing a smooth and intuitive user experience.

Smart voice control
Simply activate Siri or Google Assistant with a gesture or a word. Change songs, make a call, or ask for the weather without taking out your phone.

Water and sweat resistance
Designed to withstand splashes and sweat, these earbuds will follow you everywhere: during your workouts, in the rain, or during intense exercise.

Made from 100% recycled plastic
Our Force Play earbuds are eco-designed and made from recycled plastic to reduce our environmental impact.

Optimized pack dimensions
To reduce cardboard and the carbon footprint of shipping

Lifetime Warranty
Force Play will replace your right or left earbud with a new one if lost.

Eco-designed, fully recyclable packaging
Cardboard (certified from responsible forest management), glue (plant-based), and ink (soy).

Product Recycling
Prepaid return of old products for recycling to promote the circular economy.

To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
