

USB A + USB C Travel Adapter MUV Universal White Skross

Descriptif produit

Easily charge your devices on the go

Practical and indispensable
This travel adapter is perfect for charging your devices on the go. Thanks to its compact size, it fits easily into a bag. It allows you to plug in an ungrounded device while charging your USB devices at the same time.

2 USB ports
Equipped with a USB port and a USB-C port, this adapter allows you to charge two devices at once, such as a smartphone and a tablet. It's ideal for staying connected anywhere without carrying multiple chargers.

Over 200 destinations
This model is designed for use in a wide range of destinations around the world, including the United States, Australia, Switzerland, India, Brazil, Israel, Europe, the United Kingdom, and many more. In total, it covers over 200 destinations.

Plugs: input
The adapter is compatible with type C, A, I, and G plugs. This versatility ensures broad compatibility with local electrical outlets, allowing you to travel worry-free.

Outlets: Output
The adapter's outputs include the following types: I, G, B, J, L, N, E, F, K, D, H, A, and C. This comprehensive range of output outlets ensures that you can connect your devices to various types of electrical outlets, no matter where you are.
