

USB A + USB C Travel Adapter PRO LIGHT WORLD Universal White Skross

Descriptif produit

Easily charge your devices on the go

Practical and indispensable
The PRO Light USB AC45PD – World is a versatile and powerful travel adapter. It allows you to charge your devices via USB while powering a non-grounded device, such as a travel hair dryer or laptop. It's the ideal accessory for all your travels.

2 USB ports
Equipped with 1 USB-C port (up to 45 W) and 1 USB-A port (up to 20 W), it allows you to charge a smartphone and tablet at the same time. You can also use both ports simultaneously for a total of 24 W shared. The USB-C cable is included for immediate use.

Over 200 destinations
This model is designed for use in a wide range of destinations around the world, including the United States, the United Kingdom, Australia, China, Switzerland, Italy, Brazil, Europe (France, Germany, Spain, etc.), and many more. Thanks to its wide compatibility with different types of plugs, it covers over 200 destinations worldwide.
