Descriptif produit

Charge your devices in over 200 destinations with the Skross travel adapter.

Guaranteed global compatibility
The World USB Charger is your essential travel companion. Designed to work in over 220 destinations worldwide, it guarantees optimal compatibility with local outlets, wherever you go. Thanks to its integrated adapters for the United States and Japan, Australia and China, the United Kingdom, and continental Europe, you can stay connected seamlessly, even on the other side of the world.

Easy to use with a release button
Using the charger is intuitive thanks to a convenient release button that makes switching between different adapters easy. No more complicated connections: with one click, you can select the right connector for the country you're in.

Simultaneous charging of multiple devices
Equipped with a dual USB output, this charger allows you to charge two devices at the same time, such as a smartphone and a tablet. No more switching between plugs or searching for multiple outlets: everything is centralized for time-saving and convenient charging.

Compact and elegant design
With its compact shape and sleek aesthetic, the World USB Charger fits easily into a travel bag or carry-on suitcase. Its practical size makes it a discreet yet essential accessory, combining style and functionality.

Compatible with laptops
Designed to go beyond just mobile devices, this charger is also laptop-ready. It offers a complete solution for all your charging needs, even when traveling for business.

Complete accessory with cable included
The charger comes with a suitable cable, allowing you to use it immediately after unpacking.
