

Honor 400S Folio Wallet Video Stand function Black - GRS Certified Bigben

Descriptif produit

Made from over 65% recycled plastic, this stylish and feature-rich folio wallet case is the eco-friendly accessory for your mobile phone! GRS certified product.

Full protection
The combination of a back shell and a front display flap guarantees optimal protection against daily scratches, drops, and impacts.

Modern and stylish protection
Featuring a sleek design with a grained faux leather coating, it brings a modern and stylish look to your smartphone.

Practical integrated card holder
Features a storage compartment to keep your card secure and close at hand.

Hands-free video stand
Adjustable flap that can be used as a video stand. Convenient for viewing multimedia content at an ideal angle while keeping your hands free.

Tailored design for your mobile
Allows you to use your mobile device and all its features without removing the case. Custom-designed to provide easy access to ports, camera, and all smartphone features.

Anti-scratch microfiber interior
Its soft inner lining provides a gentle contact surface for your mobile device, shielding it from scratch marks.

Eco-designed with over 65% recycled plastic
This product is made from recycled plastic to reduce single-use plastic consumption and foster a circular economy. It is also recyclable, helping to repurpose old used phone cases.

GRS certified product
The Global Recycled Standard (GRS) label guarantees recycled products adhering to strict environmental and social criteria (recycled content, chain of custody, social and environmental practices, chemical restrictions, etc.).

European short supply chain and minimal carbon footprint
Manufactured in Europe to minimize transportation distances and reduce our carbon footprint.

Fully recyclable eco-designed packaging
Cardboard (certified from responsibly managed forests), plant-based glue, and soy ink.

Product recycling program
Prepaid return scheme for old products to be recycled and support the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
