

Bluetooth® Keyboard Cyclee + Mini USB A and USB C receiver 2.4 GHz Black Urban Factory

Descriptif produit

Eco-designed 2.4GHz USB-A/C 105-key wireless keyboard

This full-featured and compact wireless keyboard is designed to offer you optimal typing comfort.

Its ease of use and connection make CYCLEE an essential accessory for your computer.

It connects via a USB-A and USB-C receiver to provide a universal, stable, and fast connection.

It is powered by two AAA batteries (not included) and will allow you to work peacefully thanks to its low power consumption.

Its flat, ergonomic keys provide incredible comfort and allow you to work in absolute silence.

CYCLEE is also fully recyclable thanks to its glue-free manufacturing.
