2 in 1 Pack iPad Pro 12.9" 2018 Product LUMEE + Bluetooth Keyboard Urban Factory

Descriptif produit

Turn your iPad into a real laptop, without compromise

Designed for iPad Pro 12.9" (3G and 4G)
Perfectly tailored to your device, this case provides complete protection while maintaining access to all ports, buttons and cameras.

Hard, water-repellent shell
Made from sturdy ABS, it effectively protects your tablet from everyday bumps and splashes.

Integrated 360° rotating stand
Work in portrait or landscape mode thanks to the rotating hinge, with viewing angles that can be adjusted to suit your needs.

Bluetooth keyboard with integrated touchpad
Turn your iPad into a real computer with the AZERTY Bluetooth 5.1 keyboard and its precise touchpad. Ideal for writing, browsing or working remotely.

Customisable RGB backlighting
The keyboard is backlit with adjustable colour and brightness for optimal comfort day and night.

Practical and comprehensive features
Automatic standby, secure closure, integrated stylus holder for your Apple Pencil: every detail is designed for smooth, professional use.
