Copenhagen 2 True Wireless Earphones Midnight Black Urbanista

Descriptif produit

Tune in with style using Urbanista Copenhagen 2

Our latest and most fashionable true wireless earbuds, inspired by the city known as the capital of Scandi cool. Designed as the perfect audio accessory for life in motion, Copenhagen 2 offers up to 36 hours of truly wireless playtime, making them an everyday essential that lets you enjoy your favorite tunes all day without interruptions.

Dynamic sound with EQ presets
Copenhagen 2 delivers a dynamic audio experience. Customize your listening experience with three distinct EQ presets – Default for a natural sound, Bass Boost for added depth in low frequencies, and Treble Boost for enhanced clarity in high frequencies.

Enjoy your listening up to 36 hours
7 hours of playtime in earbuds.
29 hours of playtime in the case.

Switch seamlessly between devices
Enjoy an uninterrupted audio journey with a Bluetooth multipoint connection that smoothly connects and switches between two devices. The multipoint feature can be activated through the earbuds' touch controls or from the charging case.

Sustainability
At Urbanista, our goal is to operate our business as sustainably as possible. To us, this means offering innovative products with the smallest environmental footprint in a competitive way, while at the same time providing an attractive workplace and taking responsibility for our impact on the world around us.
