# Porto True Wireless Earphones Midnight Black Urbanista

## Descriptif produit

### Porto is a lightweight, compact true wireless earphone designed for restful nights and active days

Tiny Fit, Mighty Sound
Experience the powerful, dynamic sound of Porto's 6mm drivers and durable, high-efficiency PEEK diaphragms, delivering a full frequency range from 20 to 20,000 Hz. Enjoy deep bass, clear mids, and crisp highs — perfect for everything from workouts to relaxing evenings. With a simple tap, adjust the sound to match your mood using EQ presets like Bass Boost and Treble Boost, ensuring a personalized listening experience every time.

Noise-free comfort
Create your calm space with Porto's impressive passive noise reduction, which reduces low- to mid-frequency sounds by up to 28 dB. The custom silicon tips, available in sizes S, M, and L, create a secure seal that enhances noise isolation, while the flush fit ensures side-sleeping comfort, allowing you to rest easily without discomfort. Minimize common disturbances like distant chatter, air conditioner hums, or rustling curtains, and enjoy undisturbed sleep in any position.

Enjoy your listening up to 27 hours
6 hours playtime in the earphones
21 hours additional playtime in the case.
Charging : 10 min charge – 2 hours of playtime, 2 hours charge - Fully powered

Customized sleep with adjustable sleep mode timers
Tailor your bedtime routine with Porto's adjustable sleep timers, offering options to automatically power off after 30, 60, or 90 minutes. Whether you drift off to white noise or an engaging audiobook, Porto gently powers down at the perfect moment, ensuring a seamless transition into restful sleep without battery drain.

Switch seamlessly between devices
using Bluetooth Multipoint
Effortlessly stay connected with Bluetooth Multipoint, allowing Porto to pair with two devices simultaneously. Switch seamlessly between music and calls without any hassle. Perfect for staying productive at work or managing life on the go, Porto ensures smooth, uninterrupted connectivity.
