

Smart Watch ICE SMART SQ 2.0 Square Milanese Strap Pink Gold Ice Watch

Descriptif produit

Elevate your daily style with a sleek zinc alloy smartwatch featuring a refined mesh strap, a sharp Always-On AMOLED display, and Bluetooth call capabilities.

Sleek Rectangular Zinc Alloy Case
Designed with balanced dimensions of 37 by 41 mm, the zinc alloy metal casing combines modern aesthetics with durability. Its refined finish adds a sophisticated touch to your wrist for any occasion.

Premium Adjustable Milanese Stainless Steel Mesh Strap
Equipped with a stylish 18 mm stainless steel Milanese mesh bracelet, this smartwatch offers a sophisticated look and comfortable feel. The adjustable sliding clasp fits smoothly to any wrist size.

High-Definition 1.70-Inch Touch AMOLED Display
Featuring a 1.70-inch full touch AMOLED screen with a crisp 336 x 336 pixel resolution, this smartwatch delivers vibrant visual clarity. The Always-On Display mode allows effortless time-checking at a glance.

Comprehensive Multisport Tracking Modes
Offers tailored fitness tracking across various activities including running, walking, cycling, soccer, tennis, yoga, pilates, boxing, golf, and skiing. Track calories burned and workout stats for every session.

Connected Smartphone GPS Navigation
Utilizing your connected smartphone GPS, the watch helps track your workout speed, distance covered, and outdoor exercise routes accurately.

Continuous Heart Rate Monitoring
The integrated optical sensor tracks your pulse rate throughout the day and during exercise sessions. Gain clear insight into your physical condition and optimize your training intensity.

SpO2 Blood Oxygen and Blood Pressure Estimation
Equipped with advanced wellness tracking sensors, it evaluates blood oxygen saturation levels and provides blood pressure estimates to monitor your daily vital stats.

Detailed Sleep Quality Tracking
A built-in 3-axis accelerometer analyzes sleep stages and rest quality. Receive comprehensive sleep reports to help optimize your physical recovery and sleep habits.

Sedentary and Hydration Reminders
Promote a healthier routine with intelligent wellness alerts that remind you to stay hydrated and move around during long periods of sitting.

Wrist-Based Bluetooth Phone Calls
With its built-in speaker and microphone, make and take phone calls directly from your wrist. Stay seamlessly connected on the go without pulling out your smartphone.

Smart Wrist Notifications and Alerts
View incoming text messages, call alerts, and social app notifications directly on the high-definition display using the dedicated smartphone app.

Everyday Utilities and Integrated Games
Packed with daily convenience tools including onboard mini-games, weather updates, a stopwatch, alarm clocks, remote camera control, phone music playback, and custom watch faces.

Multi-Day Battery Life and Magnetic Charging
Powered by a 210 mAh battery charged via a magnetic USB cable, it provides 3 to 7 days of continuous usage depending on feature activation.

IP68 Dust and Water Resistance Rating
Boasts an IP68 rating for protection against daily dust and temporary clear-water immersion. Fully compatible with iOS 9.0+ and Android 5.0+ operating systems.
