

Samsung Galaxy X Cover 7 Case SmartCase Belt clip attachment Designed for Samsung Black Samsung

Descriptif produit

Designed specifically for the Samsung Galaxy XCover7, the Smartcase back cover offers reliable protection while preserving the smartphone's ergonomics and robustness.

Effective everyday protection
This case effectively protects the back of the phone against bumps, scratches, and minor impacts, while maintaining full access to the Galaxy XCover7's buttons, ports, and features.

Robust design and perfect fit
Made with durable materials, the Smartcase perfectly hugs the contours of the smartphone for a secure and stable hold, without compromising the grip or the device's original design.

Sleek and professional design
With its elegant black finish, this case blends seamlessly into both professional and personal environments. It complements the XCover7's robust aesthetic while adding a discreet layer of protection.
