

Powerbank Bigee 5000mAh 2 USB A+C ports Black Urban Factory

Descriptif produit

Compact and lightweight, ideal for your daily commute

Power and endurance
The BIGEE Max power bank offers high energy capacity to recharge all your devices, wherever you are.

Full connectivity
It is equipped with a 2.4A USB-A output, a 2.4A USB-C output and a 2.4A USB-C input for fast and versatile charging.

Simplified charging
A USB-C/USB-C cable is provided for easy charging of the battery via the input port.

Precise control
The digital LED display allows you to check the remaining charge level at any time.

Guaranteed safety
A built-in protection circuit protects the battery against overcharging, discharging and overvoltage.
