

MagSafe Wireless Powerbank MagPro Slim 5000mAh 15W Qi 1 USB C port 20W PD/QC Stand + Attached Cable Desert titanium Iniu

Descriptif produit

The perfect combination of sleekness and speed: state-of-the-art Qi2 charging with integrated cable.

Qi2 15W Magnetic Technology

This battery uses the latest Qi2 standard to deliver ultra-fast magnetic wireless charging up to 15W. The powerful magnetic alignment ensures a stable and secure charge for your compatible smartphone.

Attached USB-C Cable and 20W PD Charging

Enjoy complete versatility thanks to the USB-C cable integrated directly into the battery. This connector delivers 20W wired Power Delivery (PD) power to charge your devices in record time.

Stand Function and Ultra-Slim Design

The integrated foldable stand allows you to hold your phone in an ideal viewing position for your videos. Its ultra-slim design ensures a natural grip and convenient everyday carry.

5000mAh Capacity and Portability

With its 5000mAh capacity, this power bank provides a reliable energy reserve to extend your mobile phone's battery life. Its exceptional lightness makes it the perfect accessory to slip into a pocket or bag.
