

Smart Watch ICE SMART TK 2.0 Rectangular Stainless Steel Strap Pink gold metal Ice Watch

Descriptif produit

Combine timeless elegance and cutting-edge technology with this sleek rectangular smartwatch.

Exceptional rectangular touchscreen
This smartwatch stands out with its superb touchscreen display, offering remarkable visual clarity and responsiveness for daily use. Its modern rectangular format optimizes data layouts for comfortable reading of notifications and widgets.

Premium stainless steel finish
Featuring a high-quality stainless steel mesh band, this accessory brings a touch of sophistication and sturdiness to your wrist. Its polished design adapts elegantly to any occasion, from business meetings to formal evenings.

Comprehensive health and wellness tracking
Take care of yourself with latest-generation integrated sensors that continuously monitor your heart rate and blood pressure. It also analyzes your sleep quality and tracks your daily physical activity to help you achieve your goals.

Connectivity and wrist-based calling
Stay connected to what matters most by receiving your messages, alerts, and applications notifications instantly on your watch. Thanks to its built-in microphone and speaker, it allows you to easily make and receive calls on the go.

Sports modes and optimized battery life
Whether you enjoy running, fitness, or walking, it incorporates multiple sports profiles to accurately track your metrics and performance. Its high-capacity battery guarantees excellent autonomy to reliably power you through the week.
