with LCD screen USB C / USB C Cable 5A 2m Braided nylon PD 100W White Bigben

Descriptif produit

A robust, stylish braided cable designed for smarter charging thanks to its integrated display screen.

Practical and Essential
Suitable for your daily use, whether at home, in the office, in the car, on the go, or for sharing with family and friends. Sync music, photos, or data and charge your devices: phones, power banks, tablets, etc.

Real-Time Power Display
A small integrated LCD screen shows you the charging power transmitted by the cable, ideal for monitoring performance and optimizing the recharging of your devices.

Braided Nylon Coating
The fiber braiding makes your cable extremely strong and prevents it from tangling. It offers better longevity compared to traditional cables, while making storage easier.

Elegant Design
Their aesthetic and the pattern created by the braiding also add an elegant visual texture.

Ultra-Fast Charging and Sync Speed
This USB-C to USB-C cable supports output currents up to 5A to quickly charge and power all your compatible devices: computers, mobile devices (iOS or Android), wireless headphones, power banks, smartwatches, audio systems, etc.

5A 100W Power Delivery Compatibility
To benefit from ultra-fast Power Delivery charging up to 100W, you need a charging cable with a minimum current of 5A, a device equipped with a USB-C port compatible with this technology, and a compatible USB Power Delivery charger.

Practical 2m Length
A length extended enough to reach your nightstand, desk, sofa, bed, or the back seat of your vehicle from the power outlet. Twice as long as conventional cables, they allow you to move freely during charging to facilitate your various activities.

Reversible Design and Engineering
The cable connector is reversible, making connections even easier.

A single cable for all your needs
Supports output currents up to 5A to quickly charge and power all your compatible devices: computers, mobile devices (iOS or Android), wireless headphones, power banks, smartwatches, audio systems, including the new iPhones (iPhone 15 Series and later).

Eco-designed with 100% recycled plastic
This product is made of recycled plastic to reduce the use of single-use plastics and promote the circular economy.

Eco-designed, fully recyclable packaging
Cardboard (certified from responsibly managed forests), glue (vegetable-based), and ink (soy-based).

Product Upcycling
Prepaid return of old products for recycling to promote the circular economy.

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
