

Power Socket Europe + 2 USB A+C PD ports White Bigben

Descriptif produit

Stop choosing between your devices: the smart wall outlet that charges everything at once.

Three-in-one power
Transform a single wall outlet European standard (type E/F) into a complete charging station. Thanks to its ingenious design, you can plug in your usual electrical appliance (coffee maker, lamp, computer) while taking advantage of two fast-charging ports for your mobile devices.

Ultra-fast Power Delivery charging
The USB-C port features 20W Power Delivery technology, ideal for charging your iPhone or Android smartphone at top speed. Additionally, the 18W USB-A port (Quick Charge compatible) ensures perfect compatibility for your other accessories, such as headphones or smartwatches.

Certified security without compromise
The safety of you and your devices is our top priority. This outlet is manufactured from high-quality fire-retardant materials and features a multi-layer protection system. It constantly monitors voltage fluctuations and temperature to prevent any risk of overheating, short circuits, or overcharging, allowing you to charge your devices with total peace of mind, even overnight.

Compact and ergonomic design
Designed to keep your space clutter-free, this outlet features a sleek design that blends discreetly into any room of the house. Its robust structure ensures a stable fit into your wall sockets while remaining compact enough to be carried on the go.

• A recycling center with the prepaid return of old products to be recycled to promote the circular economy

Bigben Connected is a French brand whose products are designed and developed in Paris.
French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?
Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
