

Wireless Charging Station 25W Qi2.2 3 zone stand Smartphone + Truewireless + USB C/C Charging Cable Gray Samsung

Descriptif produit

The new era of magnetic wireless charging by Samsung

Qi2 technology and magnetic attachment
Enjoy perfect alignment thanks to built-in magnets that instantly center your device on the charging pad. This new standard ensures a stable connection and maximum energy transfer efficiency for your compatible Galaxy and Apple products.

Optimized 25W charging power
This charger delivers ultra-fast wireless charging power to energize your Galaxy S, Z, and Buds in record time. Its intelligent power management protects your battery while providing exceptional charging speed.

Ultra-slim and minimalist design
With a profile of only 7 mm, this charger fits anywhere and integrates discreetly on your desk or nightstand. Its premium coating and sleek finishes make it an accessory that is as stylish as it is powerful.

Freedom of use and long cable
The included 1.5-meter USB-C cable offers great freedom of movement, allowing you to use your device comfortably even during charging. Its robust design ensures increased longevity against daily handling.
