

Multimedia car screen 7" Carplay/Android Auto Black Urban Factory

Descriptif produit

This 7" car monitor is designed to deliver an exceptional entertainment and navigation experience thanks to its compatibility with wireless CarPlay and Android Auto.

It allows you to easily access your favorite apps, navigate, send messages, and make calls while driving, ensuring safer driving.

Screen and Image Quality

The 7-inch IPS screen features a capacitive touchscreen and a 1024 x 600 resolution, guaranteeing smooth touch responsiveness and optimal readability even in varying lighting conditions.

Connectivity and Multimedia

Equipped with built-in CarPlay and Android Auto, the device provides access to maps, calls, messages, and music. Bluetooth 5.0, a 3.5 mm jack, and FM 88–108 MHz audio transmission offer multiple options for streaming audio in your vehicle.

Installation and Mounting

Supplied with a suction cup for the windshield and an adhesive mount for the dashboard, the screen is easily positioned without any vehicle modifications. The included USB-C cigarette lighter adapter allows for convenient power from the 12V socket.

System and Performance

Runs on a multilingual Linux system with 256 MB of RAM, offering a stable interface and onboard function management specifically designed for automotive use.
