dbramante1928
handcrafted, affordable luxury

Samsung Galaxy S26 Folio Oslo Pro Leather Vegan Video Stand function Black - GRS Certified DBramante1928

Descriptif produit

Oslo, a case made from recycled plastic materials. GRS Certified recycled plastic

Designed in Denmark for those looking to bring style, protection and organisation to their daily lives.

Slim on the outside, generous on the inside with video stand function
Features a foldable back for watching horizontal videos while keeping your hands free

Wallet with slots for cards and notes
Integrated into the lining of the flap, you can store up to 5 cards and keep your bank cards close at hand. A thumb-sized hole makes it easy to remove your cards.

Secure closure
Equipped with a magnetic system, this case closes securely for optimum protection.

100% Recycled Plastics
A product made from recycled plastics that looks and feels like real leather.

Certified recycled plastic
We only use GRS certified recycled plastic. This ensures that we know with certainty that our products are what we say they are.
