

Multimedia car screen 10" Carplay/Android Auto/MirrorLink with integrated dashcam Dashboard mount Black Bigben

Descriptif produit

A panoramic and secure experience: the CarPlay or Android Auto 10" smart screen with integrated DashCam for your vehicle.

10" HD Screen and Integrated DashCam

This giant touchscreen provides a high-definition display for smooth navigation and perfect visibility in all conditions. The built-in DashCam secures your journeys by recording your trips directly from the unit.

Smartphone Connectivity and Split Screen

Safely access your apps, calls, and music via Apple CarPlay, Android Auto, or MirrorLink. The split-screen function allows you to view your route and the camera feed simultaneously for a peaceful driving experience.

Simple Installation and Multimedia

The dashboard mounting bracket guarantees a reliable hold and quick installation without any technical vehicle modifications. Enjoy your audio and video files using the TF card reader and the 3.5mm jack.

Optimized Dual Power Supply

The screen is powered by a USB-C cable via the included cigarette lighter adapter. This adapter features an additional USB-A port to charge a second device, such as your smartphone, while you drive.

Bigben Connected is a French brand whose products are designed and developed in Paris.

French specialist in smartphone accessories for 25 years, our products are tested and certified according to the standards and directives in force on the market.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product www.bigbenconnected.fr/recyclerie/, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
