Powerbank Pocket Neo 20000mAh 3 USB A+2C ports 22.5W PD/QC Hand strap cable Black Iniu

Descriptif produit

More compact, lighter, yet just as powerful: energy that follows you everywhere.

25% more compact, 15% lighter
Featuring high-density TinyCellTM technology, this 20,000mAh portable battery is optimised for an extremely compact size and light weight. It offers powerful performance without the bulk, making it perfect for travel, holidays and daily commutes.

Fast charging: 60% in 25 minutes
With 22.5W PD fast charging, it can charge an iPhone 15 up to 60% in just 25 minutes — twice as fast as a conventional 12W power bank.

Integrated USB-C cable with carrying strap
Equipped with an integrated USB-C cable that doubles as a carrying strap, this power bank is always ready to use. It allows you to charge both your device and the power bank itself, without having to carry an extra cable.

Digital battery level indicator
The digital indicator displays the remaining charge level and charging progress in real time. A clear and instant reading for a smoother and more controlled experience.
