Descriptif produit

Simplify your daily life with this 5-in-1 solution: wirelessly charge all your devices while enjoying high-quality 360° sound!

Tiltable MagSafe Stand and 15W Fast Wireless Charging
This powerful magnetic stand provides fast charging up to 15W while offering an ultra-convenient adjustable tilt. This keeps your screen perfectly visible and accessible while charging.

Dedicated Wireless Charging for TWS Earbuds
A dedicated slot allows you to charge your wireless earbuds with a stable 3W power output, so you'll never run out of battery and avoid unnecessary cable clutter.

Retractable Apple Watch Charging Area
Thanks to its ingenious design, the 2.5W charging module for your watch unfolds for use and retracts completely for maximum compactness.

Integrated 5W Speaker and Long Battery Life
The 5W speaker delivers rich, detailed sound and exceptional audio reproduction: powerful bass, clear mids, and precise highs. Its long battery life (1800 mAh) lets you enjoy your music anywhere in the house or outdoors.

Adjustable brightness with 3 levels
Customize the lighting with three adjustable brightness levels to create the perfect ambiance. This feature allows you to instantly switch from a bright ambient light to a soft, soothing nightlight.

Elegant design and premium finish
With its refined materials and sleek design, this charging station blends seamlessly into any modern or professional interior.

Lifetime warranty
Your product will be replaced if it malfunctions.

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
