FORCE POWER

USB A + 3 USB C Charger Kit Power Pro Screen 140W with TFT display + Ultra Reinforced USB C / USB C Cable 2m Gray + Lifetime Warranty Force Power

Descriptif produit

The perfect combination of a reinforced cable with extreme resistance and a high-performance charger for fast everyday charging - Guaranteed for life Made from 100% recycled plastic.

Smart TFT Display
Intuitive touchscreen display showing real-time power, battery level, temperature, and other essential information.

140W Ultra-Fast Power Delivery
Delivering exceptional combined power of up to 140W, this wall charger offers maximum charging speed for your most power-hungry devices, including high-consumption laptops.

4-Port Charging Station with Included 2m USB-C to USB-C Cable
Equipped with four ports (three USB-C and one USB-A) and a 2m USB-C to USB-C cable, this kit allows you to quickly and simultaneously power multiple everyday devices: laptops, MacBooks, iPads, smartphones (iOS and Android), and connected accessories.

Ultra-GaN Technology for an Ultra-Compact Design
Thanks to GaN (gallium nitride) technology, the components are miniaturized to offer extreme compactness without compromising on power. Much less bulky than a traditional or computer charger, its compact cube shape optimizes space on crowded outlets and easily slips into a purse, backpack, or suitcase for everyday use or on the go.

Smart and Eco-Friendly Charging
Smart charging technology automatically detects and adjusts the power and current needed based on the requirements of each connected device. It gives your battery a boost in no time. When the level reaches 100%, the power is cut off to prevent the battery from running continuously. This technology protects your equipment, prevents overheating, and extends battery life.

Power Delivery Compatibility
Enjoy the optimal charging speed of Power Delivery technology. To take advantage of this feature, you simply need an Apple or Android device compatible with this technology, a USB-C to USB-C or Lightning to USB-C charging cable, and a USB-PD compatible charger.

Robust, Secure, and High-Performance
Made with premium components and meeting stringent technical requirements, it guarantees long-lasting performance and maximum reliability. It effectively protects against everyday mechanical and physical shocks, power surges, and high temperatures for safe use at home, in the office, or when sharing with family and friends.

Multi-Protocol Compatibility for Cutting-Edge Performance
Its Power Delivery compatible charging protocol is far more efficient than conventional charging technologies*: PPS standard compatible with USB PD 3.0 & Qualcomm QC4.0.

Smart Companion Included with Your Product
A clever cable organizer is included with your product for easy winding and transport of your charging cable.

Lifetime Guarantee
Force Power will replace your charging accessory with a brand new one if it is damaged!

Eco-designed with 100% recycled plastic
This product is made from recycled plastic to reduce the use of single-use plastics and promote a circular economy.

Product Recycling
Prepaid return of old products for recycling to support a circular economy.

Port(s) : USB A + 3 USB C - Connector type

Color : Gray

Feature(s) : USB Port(s) Output: USB A + 3 USB C 140W - Cable Lenght: 2m - Charge Protocole: Power Delivery

Cable lenght : 2m

Power : 140W

Material : 100% Recycled Plastic

Carbon footprint (kg CO2e) : 2.85

Eco conception : 100% Recycled Plastic

Ref : FPCS140W1A3CECBLCCRG

EAN : 3571211555261

Pack contents : USB A + 3 USB C Charger Kit Power Pro Screen 140W with TFT display + Ultra Reinforced USB C / USB C Cable + Lifetime Warranty + User Guide/Security/Warranty

Technical characteristics

Smart TFT touchscreen: Real-time display of power, battery level, and temperature.
140W Power Delivery: Maximum charging speed for the most demanding devices and laptops.
4-port docking station with 2m cable: Simultaneously charge multiple devices via 3 USB-C ports, 1 USB-A port, and included cable.
Ultra-GaN technology & compact design: Miniaturized components offer an extremely compact cube-shaped form factor without overheating.
Smart charging & multi-protocol: Automatic power adjustment and broad compatibility with PPS/PD 3.0/QC4.0.

Informations complémentaires

How the lifetime warranty works
Thanks to the lifetime warranty, FORCE will replace your product with a simple exchange for a new one if it is defective or damaged.
To benefit from the lifetime warranty, simply create an account in a few clicks and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new product in exchange for your old defective product. Once a year and without time limit so that your mobile always remains perfectly equipped!

If you have purchased FORCE PLAY wireless headphones:

Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
