Smart Camera Tapo C211 2K 3MP Indoor Black TP-Link

Descriptif produit

Tapo C211: High-Precision 2K 360° Indoor Surveillance

Full Panoramic View and 2K Resolution
Enjoy exceptional clarity with the 2K 3MP sensor that captures every detail with crystal-clear sharpness. Its motorized rotation covers the entire room with 360° horizontal and 114° vertical movement, leaving no blind spots.

Smart Detection and Motion Tracking
Built-in AI instantly identifies people and baby crying to send you targeted alerts on your smartphone. The camera automatically tracks moving subjects to maintain a continuous record of any suspicious or family activity.

Two-Way Audio and Privacy Mode
Communicate in real-time with loved ones or pets using the integrated microphone and speaker. For total peace of mind, activate the Privacy Mode to physically hide the lens when you are at home.

Advanced Night Vision and Secure Storage
Monitor your home even in total darkness up to 30 feet thanks to the advanced infrared system. Save your footage securely on a microSD card up to 512 GB or use the Tapo Care Cloud service.
