

Powerbank Power Pro Screen 27600mAh 2 USB A+C ports 165W with TFT display Gray + Lifetime Warranty Force Power

Descriptif produit

XXL power to charge all your devices, even the most demanding ones.

Smart TFT Display
Intuitive touchscreen display showing all your device's charging data in real time: power, battery level, temperature, and other essential information.

Large Capacity for Extended Battery Life
With its generous 27,600mAh capacity, this power bank fully recharges even the most powerful laptops and provides multiple charges for smaller devices, such as smartphones, tablets, or wireless earbuds. Ideal for travel, commuting, or simply ensuring you never run out of power.

Smart TFT Display
Its smart TFT display shows the battery level, current, voltage, and power output of the USB ports in real time.

3x Faster Power Delivery Charging
This technology allows you to charge up to 50% of your iPhone 8 or later model or your Samsung S20 or later model in approximately 30 minutes. Compatible with iOS (Apple) and Android (Google, Samsung, Xiaomi, Oppo, etc.) devices, it offers a 3x faster, safer, and more convenient alternative for charging all your devices.

Smart and Eco-Friendly Adaptive Charging
Dynamic charging adjustment preserves the battery and reduces energy consumption. The charger automatically detects the charging current needed for fast charging. When the battery is fully charged, it cuts off the power, preventing it from running continuously. This innovative technology prevents overheating and extends battery life. When you're in a hurry, our chargers give your battery a boost in no time.

One Charger for All Your Devices
Compatible with all Android and iOS smartphones and tablets, and other devices: speakers, wireless headphones, watches, and even the most powerful PCs! Charge up to 3 devices simultaneously.

Charge three devices simultaneously
With its three charging outputs – a USB-A port, a USB-C port, and the integrated USB-C cable – this power bank lets you charge up to three devices at the same time. Perfect for sharing power with loved ones or powering multiple devices on the go, without compromising charging speed.

Airplane compatible
Compliant with international air transport requirements: advanced protection systems for safe use.

Works with the following protocols: AFC (Samsung), FCP (Huawei), PPS (Samsung), PD 3.0 (Apple, Samsung, Fairfone, OnePlus), 2.4A (Apple), QC 4.0+ (Xiaomi, Google, Samsung, Oppo, Vivo), AVS technology.

Lifetime warranty
Force Power will replace your charging accessory with a brand new one if it is damaged!

Product recycling
Prepaid return of old products for recycling to promote the circular economy.

Universal - Port(s) USB A+2C

Color : **Gray**

Feature(s) : **Battery Capacity: 27600mAh - with TFT display**

Port(s) : **USB C / USB C**

Power : **27600mAh**

Carbon footprint (kg CO2e) : **4.6**

Ref : **FPPB276AACC165WPDEG**

EAN : **3571211555346**

Pack contents : Powerbank Power Pro Screen 27600mAh + USB C / USB C Cable + Lifetime Warranty + User Guide/Security/Warranty

Technical characteristics

Smart TFT touchscreen: Displays real-time power, battery level, temperature, and other essential information.
Large 27,600mAh capacity: Fully charges powerful laptops and multiple smartphones and tablets.

Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time
• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.

• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
