

Smart Camera Cue 2 3MP 2K Indoor & Outdoor White IMOU

Descriptif produit

360° Panoramic Coverage and 2K Clarity for Your Security

Superior 2K image quality
The 3MP sensor offers a resolution of 2304 x 1296 pixels to capture every detail with professional sharpness. Advanced infrared technology ensures clear night vision up to 10 meters away.

Full motorized rotation
Thanks to its Pan & Tilt function, the camera rotates 355° horizontally and 80° vertically to eliminate any blind spot. You control the orientation in real-time directly from your smartphone.

Smart target tracking
The AI algorithm identifies human shapes and automatically follows any moving subject in the room. This function ensures that the action always remains at the center of the image.

Instant call button
A press on the physical key located on the camera allows users to initiate a voice call to your mobile application. It is the ideal tool for children or seniors to contact you in one gesture.

Privacy protection
The private mode allows the lens to be physically masked with a single click in the app. This function ensures total confidentiality when you are at home.

Optimized video compression
H.265 encoding reduces bandwidth consumption and storage space by half compared to H.264. You enjoy a smooth video stream without saturating your network.

Compatible WiFi

Color : **White**

Ref : **IMOUCAMCUE2WH**
