Smart Camera Ranger RC Pro 3MP 2K Indoor & Outdoor White IMOU

Descriptif produit

Smart Home Intelligence for Total Surveillance

High precision 2K sensor
The 3MP resolution delivers extremely detailed images for high-quality indoor surveillance. Digital image processing optimizes contrasts for perfect visibility.

Motorized panoramic coverage
The lens rotates remotely to cover the entire room over 360 degrees. This flexibility allows for monitoring several strategic points with a single device.

AI human detection
Integrated artificial intelligence filters movements to alert you only in the event of real human presence. This drastically reduces unnecessary notifications caused by pets or shadows.

Built-in active deterrence
In the event of an intrusion, the camera triggers a sound siren to repel unwanted visitors. This active security function protects your home even before you intervene.

Smooth two-way audio
Communicate instantly with your loved ones or pets thanks to the high-fidelity microphone and speaker. The system eliminates background noise for optimal voice clarity.

Robust Wi-Fi connectivity
The internal antenna ensures a stable connection for an uninterrupted video stream on your app. The camera also supports storage on SD card, NVR, or Cloud.

Compatible WiFi

Color : **White**

Ref : **IMOUCAMRANGERRC2KWH**

EAN : **6937479641790**

Pack contents : Smart Camera Ranger RC Pro 3MP 2K Indoor & Outdoor + User Guide/Security/Warranty

Technical characteristics

3MP Resolution: Sharp 2K image for precise identification.
Panoramic View: Motorized rotation for complete monitoring.
AI Detection: Integrated human shape filtering algorithm.
Deterrent Siren: Active sound alarm upon detection.
Real-time Audio: Fluid dialogue via speaker and microphone.
Multiple Storage: SD card slot, Cloud, and NVR recorder support.
Night Vision: Powerful infrared for 24/7 security.
